SUMMARY

Content designer who makes complex digital products simple through content. At Airtel I created the organisation-wide content design guidelines and guardrails, and I write product copy for the Airtel app and Engage X, Airtel's CRM platform. Before that I wrote for Wiom and Bijak, managed community at ByteDance's Helo, and led a team of 35 writers at Roar.

EXPERIENCE

Airtel
2025 – Present

Senior Content Designer

- Created Airtel's **organisation-wide content design guidelines and guardrails**: voice, tone and writing standards for product and design teams.
- Write and manage product copy across the Airtel app, keeping microcopy clear, concise and consistent across journeys.
- Own messaging for Engage X, Airtel's CRM platform, working with product and marketing teams on customer communication.
- Wrote the content for the Bill simplification, Next Best Action and Travel Mode case studies.

Wiom
2023 – 2025

UX Writer (E2)

- Raised **Autopay adoption by 30%** within two months with an incremental-discount approach that communicated long-term value.
- Cut **booking cancellations by 10%** by letting users modify bookings instead of cancelling.
- Improved **installation accuracy by 20%** with a step-by-step installation flow that teaches technicians good practice.
- Raised on-time task completion from **70% to 85%** in two months with a cricket-themed task experience for technicians.
- Partnered with Product, Design and Tech on major features for the Wiom customer and partner apps.

Bijak
2021 – 2022

UX Writer (E1)

- Grew **commodity trading by 15%** with a step-by-step guide for the market module.
- Lifted **DAU by 10%** by adding Instagram-style stories to the app.
- Designed a dynamic push notification system to improve engagement.
- Wrote SEO-optimised blogs for Bijak and ChargeERP, and worked with Product, SEO and Tech on the ChargeERP website revamp.

ByteDance · Helo
2020 – 2021

Community Specialist

- Handled UX and content requirements for the Helo app's Hindi module.
- Grew Helo's official accounts to **1 lakh likes** with 300+ posts.
- Ran user-generated content campaigns that drew **500+ participants** and 10,000+ interactions.
- Increased visibility for 20 journalists by managing their accounts.

Roar
2017 – 2020

Content Writer

- Led a team of **35 writers** producing content that reached 10 lakh monthly views.
- Published 250+ research-driven pieces, raising average article views to 3,000.
- Created 30+ tech-focused articles and videos for the website and YouTube channel.
- Ran native advertising campaigns for MG Motors and Sun King, and raised **₹2 lakh** for Kerala flood relief through a fundraising campaign.
- Worked with the design team on the Roar India mobile app.
