Summary

Content designer with 7+ years of experience crafting clear product content and building the content systems behind it. At Airtel, I created the organisation-wide content design guidelines and guardrails, and I write for the Airtel app and Engage X. Earlier, I wrote for Wiom and Bijak, managed community at ByteDance's Helo, and led a team of 35 writers at Roar. I work in English and Hindi.

Experience

Airtel 2025 – Present

Senior Content Designer

- Created Airtel's **organisation-wide content design guidelines and guardrails** for consistent voice, tone and standards across teams.
- Helped users act sooner with Next Best Action cards: recharges before pack expiry up **18%**, bill payments up **21%**.
- Made roaming easier to manage with Travel Mode: roaming-related customer care calls down **4%**, pack latching issues down **10%**.
- Redesigned how bills are explained in the app, aiming for **20%** fewer billing-related calls (to be measured Jan–Mar 2027).

Wiom 2023 – 2025

UX Writer (E2)

- Grew **Autopay adoption by 30%** in two months by showing users the long-term savings of staying on Autopay.
- Cut **booking cancellations by 10%** by letting users change a booking instead of cancelling it.
- Raised **installation accuracy by 20%** with a step-by-step flow that teaches technicians as they work.
- Lifted on-time task completion from **70% to 85%** in two months with a cricket-themed task experience for technicians.

Bijak 2021 – 2022

UX Writer (E1)

- Grew **commodity trading by 15%** with a step-by-step guide for the market module.
- Raised **daily active users by 10%** by adding Instagram-style stories to the app.
- Built a dynamic push notification system to keep users engaged.
- Wrote SEO blogs for Bijak and ChargeERP, and helped revamp the ChargeERP website with the Product, SEO and Tech teams.

ByteDance (Helo) 2020 – 2021

Community Specialist

- Handled UX and content for the Helo app's Hindi module.
- Grew Helo's official accounts to **1 lakh likes** with 300+ posts.
- Ran user-generated content campaigns with **500+ participants** and 10,000+ interactions.
- Increased visibility for 20 journalists by managing their accounts.

Roar 2017 – 2020

Content Writer

- Led a team of **35 writers**; our content reached 10 lakh monthly views.
- Published 250+ research-driven articles and raised average views to 3,000 per article.
- Created 30+ tech articles and videos for the website and YouTube channel.
- Ran native ad campaigns for MG Motors and Sun King.
- Raised **₹2 lakh** for Kerala flood relief through a fundraising campaign.
- Worked with the design team on the Roar India mobile app.
