Vimal Naugain

Senior Content Designer · UX Writer · English and Hindi

Delhi NCR vimalnaugain2@gmail.com LinkedIn Portfolio

Summary

Content designer at Airtel. I write product content for the Airtel app and Engage X, and I created Airtel's organisation-wide content design guidelines and guardrails. Before Airtel, I worked on UX writing at Wiom and Bijak, and on community and content at ByteDance (Helo) and Roar, where I led a team of 35 writers. I write in English and Hindi.

Experience

Airtel — 2025 – Present

Senior Content Designer

- Created Airtel's **organisation-wide content design guidelines and guardrails** for voice, tone and writing standards.
- Raised recharges completed before pack expiry by **18%** and bill payments by **21%** with priority-led Next Best Action cards (August 2026 data).
- Cut roaming-related customer care calls by **4%** and pack latching issues by **10%** with the Travel Mode experience.
- Reworked how billing information is organised and explained in the app, with a target of **20%** fewer billing-related calls (measured Jan–Mar 2027).

Wiom — 2023 – 2025

UX Writer (E2)

- Raised **Autopay adoption by 30%** within two months with an incremental-discount approach that communicated long-term value.
- Cut **booking cancellations by 10%** by letting users modify bookings instead of cancelling.
- Improved **installation accuracy by 20%** with a step-by-step installation flow that teaches technicians good practice.
- Raised on-time task completion from **70% to 85%** in two months with a cricket-themed task experience for technicians.
- Partnered with Product, Design and Tech on major features for the Wiom customer and partner apps.

Bijak — 2021 – 2022

UX Writer (E1)

- Grew **commodity trading by 15%** with a step-by-step guide for the market module.
- Lifted **DAU by 10%** by adding Instagram-style stories to the app.
- Designed a dynamic push notification system to improve engagement.
- Wrote SEO-optimised blogs for Bijak and ChargeERP, and worked with Product, SEO and Tech on the ChargeERP website revamp.

ByteDance · Helo — 2020 – 2021

Community Specialist

- Handled UX and content requirements for the Helo app's Hindi module.
- Grew Helo's official accounts to **1 lakh likes** with 300+ posts.
- Ran user-generated content campaigns that drew **500+ participants** and 10,000+ interactions.
- Increased visibility for 20 journalists by managing their accounts.

Roar — 2017 – 2020

Content Writer

- Led a team of **35 writers** producing content that reached 10 lakh monthly views.
- Published 250+ research-driven pieces, raising average article views to 3,000.
- Created 30+ tech-focused articles and videos for the website and YouTube channel.
- Ran native advertising campaigns for MG Motors and Sun King, and raised **₹2 lakh** for Kerala flood relief through a fundraising campaign.
- Worked with the design team on the Roar India mobile app.
